Points to note

Certain subjects may attract different fees

¹This service is to request a copy of script to support a RoRs service 2; **Note** where a "... candidate is thinking of having a Priority Service 2 review of marking, please refer to the relevant awarding body's website to understand the implications of requesting a copy of the script." [JCQ PRS publication (section 4.4.3) accessed here <http://www.jcq.org.uk/exams-office/post-results-services>]

Where a copy of a re-checked or reviewed script is requested, this should normally be applied for at the same time as the RoRs request to meet the relevant RoRs deadline. Check the relevant awarding body post-results services information to confirm this process and deadline
