

Science Trilogy Revision Programme 2019

Week start	Key topics for revision	CGP revision guide page numbers (H)	CGP revision guide page numbers (F)
4.2.19	Cells, Atomic structure, Energy	11-16; 96-104; 167-172	11-16; 96-105; 167-174
11.2.19	Transport in cells, Periodic table, Energy resources	17-22; 105-110; 173-177	17-22; 106-111; 175-179
18.02.19	Digestion, Bonding, Circuit electricity	25-29; 112-121; 179-185	26-28; 113-122; 180-187
25.02.19	Animal Circulatory system, Quantitative chemistry, Mains electricity	30-38; 123-128; 186-189	29-37; 123-126; 188-191
04.03.19	Plant transport, Chemical reactions, Particle model of matter	39-41; 129-134; 191; 194	38-40; 128-131; 193-196
11.03.19	Infection and response, Electrolysis and energy change	43-49; 135-140;	42-49; 132-136;
18.03.19	Photosynthesis, Rate of reactions, Radioactivity	50-53; 142-148; 195-199	50-52; 138-144; 197-201
25.03.19	Respiration, Organic chemistry (hydrocarbons), Forces	54-56; 150-152; 201-206	53-55; 146-149; 203-207
01.04.19	Nervous system and hormones (homeostasis), Chemical analysis, Forces and motion	58-67; 153-155; 207-216	57-65; 150-153; 208-217
08.04.19	Reproduction, Evolution of earths atmosphere, Waves	60—69; 157-159; 218-226	66-68; 155-157; 219-228
15.04.19	DNA and Inheritance, Atmospheric pollution, Magnetism and electromagnetism	70-74; 160-161; 227-230	69-72; 158-159; 229-230
22.04.19	Variation and Evolution, The earths resources and sustainable development	76-81; 162-163	73-81; 160
29.05.19	Adaptation and competition, Recycling and life cycle assessment	83-88; 164-165	85-88; 161-165
6.05.19	Human impact on the environment and biodiversity, Working scientifically	89-94; 1-10	89-94; 1-10

Science

Student: _____

Target Grade:

Predicted Grade:

Paper 1 - mock grade (B/C/P):

Paper 2 - mock grade (B/C/P):

Key Dates

Biology

Paper 1—15th May

Paper 2—11th June

Chemistry

Paper 1—17th May

Paper 2—13th June

Physics

Paper 1—23rd May

Paper 2—15th June

Extra support available

On the student shared drive in the science folder there are topic by topic intervention booklets and revision resources for each topic area.

The folder is called

AQA Biology 9-1 intervention booklets

AQA Chemistry 9-1 intervention booklets

AQA Physics 9-1 intervention booklets

Revision guides can be purchased from student services

You can access an electronic version of the text book by using your kerboodle log in
