¹ This information is taken from the JCQ [PRS](#) booklet summarising the post-results services offered by the JCQ member awarding bodies for GCSE, GCE, Projects (including Extended Project)

² This service is to request a copy of script to support a non-priority **review of marking**; note where a "... candidate is thinking of having a Priority Service 2 review of marking, please refer to the relevant awarding body's website to understand the implications of requesting a copy of the script" [[PRS](#) 4.3.3]

³ Where a copy of a re-checked or reviewed script is required, this should normally be applied for at the same time as the RoR request to meet the relevant non-priority RoR deadline; check the relevant awarding body's post-results services information to confirm this process and deadline
