Dear Parent/Guardian,

June 2021

RE: Private Instrumental Tuition

I would like to take this opportunity to introduce you to the some of the activities that are available to your child within the Music department at John Port Spencer Academy. Every child will receive timetabled class music lessons, however there are many extra-curricular activities also available to students here at JPSA.

We currently have eight visiting music teachers that provide weekly instrumental and vocal tuition. Lessons usually take place during the school day on a rotational timetable, although some teachers are able to deliver a limited number of lessons before or after school. Please note that the demand for lessons after school can be high and we would prioritise students that are in KS4 or receiving a lesson of over 30 minutes. Tuition is fee based and payments for these are arranged privately between the teacher and parent, however in the case of financial hardship school can help to meet some of the cost. The cost of instrumental/vocal tuition varies slightly between teachers, but works out at approximately £10.00 for a 20 minute individual lesson. Some instruments are available to borrow from school if you do not have your own. Lessons can be shared, but this can become difficult if students are in different classes. If your child would like to have instrumental/vocal tuition in school please complete the attached form and return it to Mrs Hodgson. This will be passed to the appropriate teacher who will be in contact with further information.

Lessons are currently available for the following instruments:

Strings: Violin, Viola, Cello, Double Bass

Woodwind: Flute, Clarinet, Saxophone (Oboe and Bassoon lessons may be offered depending on interest)

Brass: Trumpet, Horn, Trombone, Tuba, and brass band instruments

Piano, Guitar (all styles), Voice, Drum Kit

There are many opportunities for you and your child to become involved in music making whilst at John Port Spencer Academy. Details of the most appropriate group for your child can be obtained from their Music teacher.

Yours sincerely,

Mrs. S Hodgson

Director of Teaching and Learning for Music

Please return to Mrs Hodgson. Application for Music Tuition – John Port Spencer Academy 2020 – 2021

Student's Name: _____ Form _____

I would like to arrange tuition for my child on the _____ (instrument/voice)
